**Overall Length:**

5.000 inches

**Overall Width:**

0.625 inches

**Overall Thickness:**

0.0937 inches

**Usage Design:**

Cutting-off tool holder

**Material Location:**

**Body Finish And Location:**

Ground side

**Cutting Edge Finish:**

Unground

**Material:**

Steel, tungsten

**Material:**

Steel

**Shape:**

Beveled

**Reference Number Differentiating Characteristics:**

As differentiated by body finish and location

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T171-c
