Overall Length:

6.000 inches

Overall Width:

0.875 inches

Overall Thickness:

0.125 inches

Usage Design:

Cutting-off tool holder

Material Location:

Body Finish And Location:

Ground side

Cutting Edge Finish:

Unground

Material:

Steel, molybdenum

Material:

Steel, molybdenum

Shape:

Beveled

Specification Or Standard:

2 type and 2 style and a grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T171-c
