Overall Length:

2.500 inches

Overall Width:

0.375 inches

Overall Thickness:

0.375 inches

Material Location:

Tip

Material Type For Which Designed:

Nonferrous metal

Body Finish And Location:

Unfinished

Cutting Edge Finish:

Ground to shape

Edge Type:

Threading

Special Features:

Cutting edge is 80 degrees nose

Material:

Carbide

Material:

Carbide

Shape:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T171-c
