Overall Length:

4.500 inches

Overall Width:

0.750 inches

Overall Thickness:

0.750 inches

Material Location:

Tip and body

Material Type For Which Designed:

Ferrous metal

Body Finish And Location:

Ground

Cutting Edge Finish:

Ground to shape

Edge Type:

Left hand turning

Material:

Carbide and steel

Material:

Carbide and steel

Shape:

Square

Reference Number Differentiating Characteristics:

As differentiated by material

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T171-c
