Overall Length:

0.760 inches

Overall Width:

0.453 inches

Overall Thickness:

0.255 inches

Function For Which Designed:

Threading

Mounting Method:

Clamp

Cutter Direction For Which Designed:

Right-hand

Angular Measurement And Type:

60.0 degrees bevel and 55.0 degrees included

Special Features:

Vee thread

Material:

Carbide

Material:

Carbide

Shape:

Parallelogram

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T171-I
