Diameter:

0.8125 inches

Product Name:

Blade, hole saw

Special Features:

Precision tool manufactured of high speed tool steel, heat treated to rockwell c60 range, precision ground to exacting tolerance

Material:

Steel

Supplementary Features:

Type/model designation: at-474

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A532u0
