Overall Length:

7.000 inches

End Application:

Vertical broaching machine; arbor press

Product Name:

Square broach

Special Features:

Standard inch square broach; length of cut 0.250in; max length of cut 0.750in; pressure required for maximum l/c 1740lbs

Material:

Stainless steel

General Description:

Push type; square size 1/4in; tolerance 0.2505-0.2515in; dimension across corners 0.3500-0.3520inc; pilot diameter 0.2651inc; drill size 0.266in

Thread Size And Series/type Designator:

0.250 drive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
