Overall Height:

0.998 inches

End Application:

Press, punch

Guide Hole Diameter:

0.281 inches

Machine End Diameter:

Between 1.995 inches and 1.999 inches

Product Name:

Die, 9/32 x 1 1/32 in

Special Features:

Has recessed crosswise slot whose arcs have a radius of 0.220 inch centered 0.385 and 0.560 inch from long edge; bottom edge is chamfered 0.06 in. X 45 deg

Style Designator:

Standard round

Supplementary Features:

Matl is scotchman s-5 omega

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T337-f
