Overall Height:

Between 0.996 inches and 1.000 inches

End Application:

Press punch

Guide Hole Diameter:

0.281 inches

Machine End Diameter:

Between 1.995 inches and 1.999 inches

Product Name:

No. 82 die (9/32)

Special Features:

Has 2 oval cutouts on side 90 deg. Apart with radii of 0.220 in., centered 0.385 and 0.560 in. From bottom edge; bottom edge is chamfered 0.060 in. X 45 deg

Style Designator:

Standard round

Supplementary Features:

Matl is scotchman s-5

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T337-f
