Diameter:

0.125 inches

Length:

4.000 inches

Design Type:

Integral cutter

Shank Shape:

Straight

Purpose For Which Ground:

Unground

Cutting End Angle To Horizontal Bar Axis In Deg:

90.0

Bushing:

Not included

Special Features:

High speed steel tip welded on to carbon steel shank

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T182-u
