Operation Method:

Electrical motor

Folder Type:

Single

Special Features:

208 vac, 60 hz, 3 phase; right hand delivery; specific nsn related to generic nsn 3510-01-108-8879; differentiated by the electrical characteristics

Specification Or Standard:

4b item

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A516q0
