Product Name:

Sealing machine, heat

Special Features:

Variable speed to 70fpm, thermostat control to 450deg f, 7000watts heater bank, 220v, 35amps, single phase, 24in. L x 21in. W tunnel, 8in. H x 16in. W chamber, 36-1/2in. L x 15in. W adjustable height conveyer, includes shrink films

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A507k0
