Ac Voltage Rating:

115.0 volts

Frequency Rating:

60.0 hertz

Lamp Wattage Rating In Watts:

1000.0

Lamp Type:

Mercury

Installation Design:

Floor

Operation Method:

Automatic

Platelength:

22.000 inches

Platewidth:

17.000 inches

Phase:

Single

Special Features:

Four plates, proofs and flim; starts exposures instantly, 1000 watt instant startt; 30 in.By 36 in.Floor space; digital computer and light sensor, integrator and power supply are soild state

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510f0
