Overall Length:

19.000 inches

Overall Height:

18.000 inches

Overall Width:

12.000 inches

Current Rating:

5.0 amperes

Wattage Rating:

600.0 watts

Voltage In Volts And Current Type:

110.0 ac

Product Name:

Digital knight 6c8 labeling press

Material:

Steel

General Description:

Fully digital temp control: 32.0 to 600.0f; automatic digital timer and dual press timer; 70 programmable presets; 6x8, 3x5, 3x3 interchangeable tables; self lifting gas spring and wide opening; temp readout accuracy: plus/minus 2.0f, can show c or f; records number of pressing cycles done; polytetrafluoroethylene-coated 3/4 inch thick heat platen

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
