Overall Length:

110.000 inches

Overall Height:

43.000 inches

Overall Width:

61.000 inches

End Application:

Common support equipment

Criticality Code Justification:

Agav

Product Name:

Nitrogen servicing unit

Special Features:

Includes one stage pump and a regulator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
