Aircraft Nitrogen Srvcng Uniogen - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3655-01-475-5571

Overall Length:
110.000 inches
Overall Height:
43.000 inches
Overall Width:
61.000 inches
End Application:
Common support equipment
Criticality Code Justification:
Agav
Product Name:
Nitrogen servicing unit
Special Features:
Includes one stage pump and a regulator
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
