Overall Length:

24.000 inches

Overall Height:

36.800 inches

Overall Width:

28.000 inches

End Application:

Vertical clean bench

Product Name:

2" purifier vertical clean bench

Special Features:

Fluorescent lighting, variable speed blower, iso class 5, hepa filter efficiency 99.99%, vertical air flow direction

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
