Frame Type:

Bar

Design Type:

One man

Drive Method:

Pneumatic

Pressure Rating:

90.0 pounds

Cutting Capacity:

14.000 inches

Special Features:

Heavy duty, all purpose; excellent for use in mines, lumberyards, forestry, and marine; heat treated alloy steel gearing which can be externally lubricated without disassembling tool; sprocket nose guide bar for greater cutting efficiency and extended chain life; weight 12 pounds; trigger type throttle built into handle grip; replacement chain number 91053; replacement guide bar number 90526

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-z
