At not less than 6, 850 lbs at a 14 ft radius w/out a bucket, a/a diesel engines 2, 6x4 truck chassis-accessories including 30 in. Excavating bucket 1, 72 in. Excavating bucket, 72 in. Dredging bucket 1, 72 in. Ditching v-type bucket 1, 96 in. Grading blade 1, dual flood lights, lift and tie-down attachments, colored green no. 14064 iaw fed-std- 595

Specification Data:

81349-mil-e-22901 government specification

Specification Or Standard:

B style and 1 type and 2 size and b class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
