Overall Length:

269.000 inches

Overall Height:

132.000 inches

Overall Width:

128.000 inches

Cubic Measure:

2673.000 cubic feet

Fragility Factor:

Rugged

End Application:

Asphalt/compaction equipment

Special Handling Feature:

Flammable

Wattage Rating:

164.000 kilowatts

Functional Description:

Used primarily for combat construction operations

Color:

Yellow

Material:

Stainless steel

Relationship To Similar Equipment:

Similar to bull dozer or earth mover

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
