Engine Manufacturer Name:

Mercedes-benz

Engine Manufacturer Identifying Number:

Om501la

Boom Maximum Angle In Deg:

40.0

Special Features:

100 ton all terrain crane. Diesel, 69' boom extension, 246' boom length, 167' maximum tip height. 6 section boom. Megaform boom, front and rear air-ride suspension, full-width aluminum decking, 65mph highway speed. Hydraulically offset lattice bi-fold swingaway lets operator set the offset from 0'-40' while under load. Main line length 720', rope diameter 16mm, line speed 410ft/ min with 11, 240 lbs line pull.

Supplementary Features:

41'1" x 8.3' (23' with stabilizers)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T340-a
