Overall Length:

2.250 inches

Overall Height:

0.875 inches

Overall Width:

1.531 inches

End Application:

Los angeles class ssn (688)

Product Name:

Wire guide

Special Features:

One-half cylindrical shape

Material:

Rubber natural

General Description:

Specific matl is urethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
