**Overall Length:**

34.125 inches

**Special Features:**

Smaterial document and classification: sae 1060; surface finish: chrome plated; 3.500 in.From the end that has the 1.000 in.Thds and 6.188 in.From the end that has the 0.750 in.Thds; fsc application data: drilling machine, well, rotary

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A525x0
