General Description:

Ydrilling capaci type 6.000 in. Diameter hole at 1000.0 ft depth 8.000 in. Diameter hole at 500.0 ft depth, gasoline engine powered ford motor co model no. C5pf, telescopic type mast power raised 40.0 ft maximum height, 3 hoist drums, 2 catheads, skid mtd

Reference Number Differentiating Characteristics:

As differentiated by engine manufacturers name, engine model number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
