Overall Length:

3.0 feet

Valve Type:

Check

Valve Quantity:

1

Valve Body Material:

Iron, cast

Maximum Wog Working Pressure Rating:

500.0 pounds per square inch

Maximum Temperature Rating:

100.0 degrees fahrenheit

Valve Pipe Size:

6.000 inches

Valve Seat Ring Renewability:

Renewable

Valve Disk Seat Renewability:

Renewable

Pipe End Connection Style:

Unthreaded external

Pipe Material:

Iron, cast

Pipe Size:

6.000 inches

Safety Relief Valve:

Not included

Specification Or Standard:

1 type and 2 class and 6 in. Size

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T203-m
