Pipeline Valve Section - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3835-00-641-8430

Overall Length:
3.0 feet
Stem Action:
Rising
Valve Type:
Gate
Valve Quantity:
1
Valve Gate Type:
Double disk
Valve Body Material:
Steel
Maximum Wog Working Pressure Rating:
720.0 pounds per square inch
Valve Pipe Size:
4.000 inches
Valve Seat Ring Renewability:
Not renewable
Valve Disk Seat Renewability:
Not renewable
Pipe End Connection Style:
Unthreaded external
Pipe Material:
Steel
Pipe Size:
4.000 inches
Safety Relief Valve:
Not included
Specification Or Standard:
1 type and 1 class
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Filg:
T203-m
