Overall Length:

3.5 feet

Valve Type:

Check

Valve Quantity:

1

Valve Body Material:

Iron, cast

Maximum Wog Working Pressure Rating:

500.0 pounds per square inch

Valve Pipe Size:

12.000 inches

Valve Seat Ring Renewability:

Not renewable

Valve Disk Seat Renewability:

Not renewable

Pipe End Connection Style:

Unthreaded external

Pipe Material:

Steel

Pipe Size:

12.000 inches

Safety Relief Valve:

Not included

Specification Or Standard:

1 type and 2 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T203-m
