Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3895-00-129-3087

Body Material:
Steel
Integral Valve Operation Method:
Hydraulic
Design Characteristics:
Single acting single cylinder
Piston Rod End Similarity:
Identical
Mounting Type And Location:
Trunnion both ends
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A34200
