Steering Type:

Manual

Design Type:

1 drum and 1 drum

Power Source:

Diesel engine

Rolling Width:

67.000 inches

Drive Roll Diameter:

51.000 inches

Drive Roll Width:

67.000 inches

Steering Roll Diameter:

51.000 inches

Steering Roll Width:

67.000 inches

Special Features:

Tech data item name double drum vibratory asphalt compactor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T209-b
