Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3930-01-030-4407

Tempurature Rating:
Not rated
Pressure Rating:
Not rated
Integral Valve Operation Method:
Hydraulic
Design Characteristics:
Single acting single cylinder
First Piston Rod End Style:
External threaded
Mounting Type And Location:
Lug cylinder head end
Port Location And Quantity:
1 piston rod end
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A34200
