Overall Length:

13.500 inches

Overall Height:

6.187 inches

Overall Width:

3.250 inches

Attachment Method:

Bolted plate

Usage Design:

Aircraft hoisting

Material:

Steel, carbon, free machining

Material:

Steel

Surface Treatment:

Oxide

Surface Treatment:

Black oxide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30600
