Hoisting Adapter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3940-00-555-4588

Overall Length:
51.219 inches

2.000 inches

Attachment Method:

Overall Height:

Clamp

Overall Diameter:

52.594 inches

Usage Design:

Weapons system component

Functional Description:

Used as lifting adaptor for outerchamber combustion case

Material:

Steel and aluminum alloy

Material:

Steel and aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30600
