Overall Length:

40.000 inches

Overall Height:

6.000 inches

Overall Width:

6.000 inches

Attachment Method:

Pin

Usage Design:

Aircraft hoisting

Product Name:

Adapter assembly, ammunition drum hoisting

Special Features:

Includes three in. Hoisting ring

Functional Description:

Used with hoisting unit (p/n 68d150022) for installation/removal of the 20mm ammo drum

Material:

Steel

Material:

Steel

Reference Data And Literature:

To 1f-15a-4-6

Surface Treatment:

Paint

Surface Treatment:

Painted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30600
