Design Type:

Wire rope

Size Designation:

6 ft lg wire rope; 5/16 in. Diameter rope

Inside Circumference:

6.000 feet

Special Features:

Type 82 loops at both ends, hand spliced, tapered and concealed

Material:

Steel, corrosion resisting and wire rope

Material:

Stainless steel and wire rope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T215-j
