**Leg Length And Quantity:**

2 leg 17 feet 9.500 inches

**Loop Quantity:**

3

**Sling Material Type:**

Wire rope

**Criticality Code Justification:**

Zzzy

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T215-g
