Width:

45.000 inches

Overall Length:

85.000 inches

Adjustability:

Nonadjustable

Design Type:

Bar

Slotted End:

Not included

Drilled End:

Not included

Functional Description:

Used betw overhead hoist and translating fan duct to move to/from fixtures during maintenance

Material:

Steel

Material:

Steel

Supplementary Features:

12.0 in. H

Fsc Application Data:

C-17 acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T215-m
