Overall Length:

7.000 inches

Overall Height:

0.235 inches

Overall Width:

2.110 inches

Attachment Method:

Bolted

Special Features:

Break all sharp edges

Material:

Aluminum alloy, qq-a-250/11, alloy 6061

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30600
