Hoisting Adapter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3940-01-489-6175

Overall Length:
7.000 inches
Overall Height:
1.300 inches
Overall Width:
4.000 inches
End Application:
Valves
Special Features:
Kpaint and primer with 1 coat of tt-0-645 followed by 2 coats of mil-e-24635, class 2, color 26307; center hole 2.750 inches diameter with 4
mounting holes .201 inches diameter; nha nuclear reactor boundary area
Material:
Steel
Material:
Steel
Surface Treatment:
Paint
Surface Treatment:
Painted
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A30600
