End Application:

NSN2-35-501-5674

Chain Size:

0.281 inches

Adjustability:

Adjustable

Design Type:

Multiple leg

Attachment Type/location And Quantity:

1 grab hook, reverse eye, style 41 foot and 1 round hook, reverse eye, style 42 leg

Leg Length And Quantity:

8ft leg, 1

Sling Material Type:

Chain

Product Name:

Quick adj chain sling w/two legs 9/32, 7400 wll, 8 ft

Special Features:

Attached chain wear gauge and a tag that shows type, length and work load limit

Material:

Steel

Material:

Steel

Supplementary Features:

Working load limit 7, 400 lbs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T215-g
