End Application:

Kc-46a tanker

Product Name:

Pulley assembly

Special Features:

Pulley assembly consists of pulley and 2 different bearings; material of pulley is 7075-t7351 plate per qq-a-250/12

Style Designator:

Hoister pattern

Reference Number Differentiating Characteristics:

Item is faa certified

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12900
