**Operation Method:**

Hand

**Mechanical Advantage Method:**

Lever

**Suspension Mounting Method:**

Hook

**Maximum Load Rating:**

1500.0 pounds

**Mounting Position:**

Any acceptable

**Criticality Code Justification:**

Zzzy

**Special Features:**

Hoist is designed for 10.0 ft lift

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A02800

**Mil-std (military Standard):**

Mil-h-904 spec.
