Lift Mechanism Type:

Winch drum

Design Type:

Boom

Operation Method:

Manual

Extended Length:

20.000 feet

Maximum Lifting Capacity:

1500.0 pounds

Boom Type:

Revolving

Special Features:

360.0 degrees rotation under load; 0 to 18 degrees tilt angle under load; towable up to 12 mph

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T340-b
