**End Application:**

Iwo jima class lph

**Current Rating:**

20.000 microamperes

**Voltage In Volts And Current Type:**

24.0 dc

**Special Features:**

Iwo jima class lph

**General Description:**

Three sheave tensionmeter with loadcell, amplifier and 50.00 ft cable with quick disconnect couplings

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
