End Application:

Airborne mine countermeasures multi winch ii

Prime Mover Type:

Hydraulic motor

Operation Method:

Powered

Capstan Spool Mounting Position:

Vertical

Capstan Spool Style:

Straight head

Drum Surface Design:

Plain

Product Name:

Multi winch ii

Special Features:

2 ea. Drums; 1 ea wiring harness; 2 ea drip pans; 1 ea. Pallet assembly for mounting; and numerous different hardware pieces

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A02800
