Overall Length:

3.000 feet

End Item Name:

Truck mounted pickup crane

Controlling Agency:

Lockheed martin

Manufacturer Identifying Number:

03538

Special Features:

Mast extension, crane; material steel; pretreat per mil-t-704, type f, mil-c-8514, then primer, epoxy coating, per mil-p-53022, type i or ii; then paint using aliphatic polyurethane coating, chemical agent resistant mil-c-46168, type ii or iv, color olive drab 34088 per fed-std-595, applied per mil-f-14072, part 10 only; apply dry film lubricant, sandstrom 9a, to surfaces a, b, c, d, e and f per sae-as5272, type ii

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T341-c
