Beam Type For Which Designed:

I-beam

End Application:

4940-01-601-1928

Design Type:

Plain

Maximum Load Rating:

1430.0 pounds

Beamheight:

1.250 inches

Product Name:

Ecu trolley

Beam Width Accommodated:

1.250 inches

Special Features:

Specific matl iaw type 316 stainless steel coated with a black anodized aluminum covering; drawing suggested source of supply as cage
1y7f3, rc63201

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A519I0
