**Boom Design:**

Nontelelescoping

**Extended Length:**

1.88 meters

**Retracted Length:**

0.74 meters

**Maximum Load Rating:**

800.0 pounds

**Boom Type:**

Nonrevolving

**Boom Capacity At Specificationified Radius:**

363 kilograms

**Product Name:**

Material lift

**Special Features:**

Average cranks; standard winch: 8.5 cranks/ft; standard wheels: 4 inch non-marking swivel front casters and 5 inch non-marking swivel rear casters with side brakes and rotational locks

**Unpackaged Unit Weight:**

333.0 pounds

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T340-d
