Diameter:

3.000 inches

Length:

1.250 inches

Roller Type:

Solid

Material:

Steel, qq-s-633, comp c1010-canceled or steel, qq-s-633, comp c1020-canceled

Material:

Steel comp 1010 or steel comp 1020

Material Specification:

Qq-s-633, comp c1010-canceled federal specification 1st material response and qq-s-633, comp c1020-canceled federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T160-f
