Overall Length:

48.750 inches

Overall Height:

18.375 inches

Overall Width:

39.875 inches

Material Thickness:

0.375 inches

Top Inside Length:

48.375 inches

Top Inside Width:

40.375 inches

Assembly Form:

Folded

Closure Method:

Detachable cover

Stacking Feature:

Yes

Nesting Feature:

No

Special Features:

Built in pallet, when erected the box rests directly on top of the pallet, when collapsed the sides and ends fit into the pallet and are protected by the cover, made from 100 per cent recycled materials

Material:

Fiberboard, corrugated, single wall

Material:

Fiberboard, corrugated, single wall

Style Designator:

Stacking

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06600
