Overall Length:

39.875 inches

Overall Height:

23.875 inches

Overall Width:

23.875 inches

Material Thickness:

0.375 inches

Top Inside Length:

39.875 inches

Top Inside Width:

40.000 inches

Assembly Form:

Folded

Closure Method:

Detachable cover

Stacking Feature:

Yes

Nesting Feature:

No

Special Features:

Built in pallet, when erected the box sits directly on the pallet, when collapsed the sides and ends fit into the pallet and are protected by the cover, made from 100 per cent recycled materials

Material:

Fiberboard, corrugated, single wall

Material:

Fiberboard, corrugated, single wall

Style Designator:

Stacking

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06600
